### A Letter from Jim

Yes, you read the title correctly, I am actually writing the newsletter myself this month. Usually Becky will put the newsletter together, with an adjustment here or there from me, but for this newsletter I thought I would like to fill you in on what God is doing myself. (of course, Becky will be the one making adjustments this time.) Above all, we must stop to thank and praise God for the fact that we are less than two months away from being in this ministry for two years already! It is amazing to look back at all that God has done and to see how God has provided everything we have needed every step of the way! We also want to thank you for your faithful prayer and financial support, as God has used many of you to work His miracles in our lives.

We have just returned from a wonderful two week vacation in the mountains of Tennessee, and North Carolina, with a couple of stops in Atlanta at a baseball game and a theme park on the way up and back.

Thank you for praying for the Call to Revival at 1st Baptist Archer, FL. We truly began to experience revival as the crowds grew each night and the people began arriving long before the services were to begin. Near the end of the week, the sanctuary was almost full with excited church-folk 1/2 hour be-

To begin our vacation, our family had fun at a Braves baseball game.

fore the service was to begin! This was a great encouragement to me and I know that your prayers had great impact.

The whole family got to travel with me when I went back to 1st Baptist Marco Island, FL over Memorial Day weekend. We were excited to see all that God had done in that church in the year plus since I had been there. This church truly was willing to "step out of the boat" in faith in response to what God had said, and they were seeing God provide the 10 million dollars that was needed to transform their entire property. (If you want to see how the new building is coming, just go to their website.)

Right before we left for vacation, I traveled to Chicago to finalize all of the changes we felt necessary to make the GOD-Centered Church workbook ready to present to prospective publishers. Please be praying specifically for this. It appears that God may be opening some doors for us to present the material to Lifeway in the coming

months. If this is God's choice for publishers we would be very excited about that! We will keep you updated as to what God does in this area as soon as we know.

I will have the privilege of preaching at my former church, 1st Baptist Indialantic, FL twice in the month of July. (The 15th and 29th) Sandwiched in between those two preaching engagements will be an opportunity to speak to Southern Baptist pastors who work in the panhandle of Florida. We will be covering the Principles of a GOD-Centered Church for 6-7 hours, split up between Friday and Saturday the 20th and 21st in DeFuniak Springs. I always love these opportunities to teach the material to pastors. The discussions are great.

My fall schedule is filling up, and we will tell you more about that in later newsletters. As of now though, I am only scheduled to preach one Sunday in August. I will be preaching at Church for the Beach in Indian Harbor Beach, FL on the 12th. Pray that God will fill those other weeks with opportunities to preach His Word. We know He will, since, as I said at the beginning of this letter, God has been keeping us busy for almost two years now. He will continue to do all that He has planned. In Christ's Overwhelming Love,
